

Y001
Flat / Incline Bench

The Rugged Fitness Flat/Incline Bench is designed with rugged durability and dependability in mind. Built with heavy-duty 2"x3" 11-gauge steel and a scratch-resistant powder coat finish, the Rugged Fitness Flat/Incline bench stands out above the competition.

A heavy steel base prevents wobbling while wide firm padding and a pebbled tear-resistant cloth-backed vinyl finish guarantees maximum support throughout every workout. The back pad is fully-adjustable with seven different angles while the seat pad can be used in three different angles.

Weight: 83 lbs.
 Dimensions: 53"L x 26"W x 18"(up to 52")H
